

REMARKS

Claims 1-104 are pending. By this Amendment, claims 59 and 60 are amended. No new matter is added by the above amendments.

I. Description of Claim Amendments

Claim 59 has been amended to change "arranged adjacent to said incident plane" to "arranged adjacent to an exit plane of said fly-eye type integrator" at the end of that claim. This amendment is made so that claim 59 is technically correct. Claim 60 is amended to change "with an exit plane" to "with said exit plane" in view of the above-described amendment to claim 59.

II. Supplemental Reissue Declaration

A Supplemental Reissue Declaration will be filed shortly that addresses the amendments made to the claims in this Amendment.

III. Information Disclosure Statement

The Examiner is requested to consider the three references submitted with the Information Disclosure Statement filed herewith.

IV. All Pending Claims are in Condition for Allowance

Applicants note with appreciation the allowance of claims 1-104. Applicants respectfully submit that this application remains in condition for allowance. Favorable consideration and prompt allowance are earnestly solicited.

Should the Examiner believe anything further would be desirable to place this application in even better condition for allowance, the Examiner is invited to contact Applicants' undersigned attorney at the telephone number listed below.

Respectfully submitted,
